

**Company description:**

Physio Care Owen Sound is a physiotherapist owned clinic in the beautiful city of Owen Sound. We started this clinic to give ourselves an opportunity to pursue working on the area of our special interests. We focus on providing goal oriented one-on-one physiotherapy and related services to our clients in our clinic with a vision to bring specialized physiotherapy services to our community.

**Clinic highlights:**

A comfortable, relaxed and supportive work environment.

Bright and clean work space.

We spend 1 on 1 time with our patients and see them through to recovery.

**Job description:**

There is an immediate opening for a full time/part position for a registered physiotherapist to join our team here at Physio Care Owen Sound. We are looking for a professional who is energetic, kind, empathetic and personable who wants to give their best efforts to get their clients to get well and move well. We will support you to pursue in any areas of special interest that you may have. If are looking for mentorship, we will be more than happy to mentor you. We have a special interest in manual therapy focusing on the myofascial system, pelvic health physiotherapy, Lymphedema management and Breast cancer rehab.

**Job Type:** Employee or contractual both are available.

**Qualifications:** Registered physiotherapist in good standing with Ontario college of Physiotherapy. Resident Physiotherapists are also encouraged to apply.

**Salary:** To be negotiated.

**CoVID-19 considerations:** All clients are required to wear a mask, common surfaces are sanitized regularly, employees are expected to vaccinated against COVID.

If you have any questions, please give us a call at 519-373-4464, or email us at [physiocareowensound@gmail.com](mailto:physiocareowensound@gmail.com).

We look forward to connect with you and explore the possibilities of us working together.
